

# *CHRISTMAS ELF TOKEN*

LITEPAPER

UPDATED: 10/11/2021

# *INTRO*

Christmas Elf is a jolly meme and community token on the Binance Smart Chain.

He is on a journey to the moon and beyond for an endless amount of holidays spent in outer space.

We are determined to bring you all gifts in form of BUSD.

Christmas are coming.

# TOKEN ALLOCATION

Total Supply: 10,000,000,000,000,000

Tokens for Liquidity 98% (All the  
initial LP tokens are burned)

2% — Dev team

Initial Market Cap (estimate) \$800

Listing on Pancakeswap 08/11/2021

# *WHY SHOULD YOU BUY?*

Giving back is a great idea with massive value, but it rarely motivates the minds of savvy investors amid trading.

Holder of \$cElf will get yield rewards in BUSD (BEP20) based on the volume.

It's Christmas time there is no need to be afraid!

At Christmas time, we let in light and we banish shade

And in our world of plenty, we can spread a smile of joy

Christmas is coming early this year!

# *ABOUT CHRISTMAS ELF TOKEN*

## Reflections

BUSD Reflection Earn automatic Binance pegged BUSD rewards by holding your \$cElf token – 9% of every buy and sell transaction is automatically redistributed to all token holders. You will receive the rewards automatically in your wallet.

## Liquidity pool
